rebel
EXPRESS YOURSELF

Minimal Speedometer

Another iconic element combining traditional and new. The Rebel's instrument now features gear-position indicator and fuel-consumption display.

Custom Look with Round LED Headlight

Set high up front and evocative of an earlier era with the round nacelle shape and aluminium die-cast mount.

All LED Lighting Package

LED lighting is where it's at now – headlight, Taillight, turn signals, even the license-plate light.

A Smoother Ride

The 41mm front fork stanchions are set wide apart for sure footed stability, comfort and style, they also employ revised and damping rates for an improved ride.

A Natural Ride

Rebel's slim proportion and low seat height offers additional comfort deriving from new seat design. Combine with mid mounted footpegs for a relaxed riding position.

Slipper/Assist Clutch

Lighter clutch pull at the lever, but a solid lockup when you release the lever and apply power. It reduces clutch effort at the bar by about 30 percent.

*Colours and photos may vary from the actual product.

SPECIFICATIONS

ENGINE AND FUEL SYSTEM

Engine Type	Liquid-Cooled 4-Stroke DOHC Twin Cylinders
Displacement	471 cm ³
Bore x Stroke	67.0 mm x 66.8 mm
Compression Ratio	10.7 : 1
Max. Power	34 kW @ 8,500 rpm
Max. Torque	43 N.m @ 6,500 rpm
Engine Oil Capacity	3.2 ℓ
Carburation	PGM-FI

TRANSMISSION

Clutch Type	Wet Multiplate Hydraulic Clutch with Assist & Slipper Clutch
Transmission Type	6-Speed Manual, Mechanical (Chain drive)

All specifications are provisional and subject to change without notice.

- Please note that the figures provided are results obtained by Honda under standardised testing conditions prescribed by WMTC. Tests are conducted on a rolling road using a standard version of the vehicle with only one rider and no additional optional equipment. Actual fuel consumption may vary depending on how you ride, how you maintain your vehicle, weather, road conditions, tyre pressure, installation of accessories, cargo, rider and passenger weight, and other factors.
- These models come with a 2 year or 20,000km manufacturing warranty (whichever comes first).
